Eagle Eye's

1-Year Target Program for JEE Main & Advanced for
12th Passed Students

COURSE SUMMARY

Eagle Eye's : 1-Year Target Program for JEE Main & Advanced for 12th Passed Students

DETAILED DESCRIPTION

Concept

This is one of the most comprehensive courses for JEE Main & Advanced after completing class 12th. In this course, students will receive thorough preparation for JEE Main & Advanced and other Engineering Entrance Exams like BITSAT.

The course is designed with a specific time frame to intensely practice all the concepts necessary for competitive exams. All concepts are taught from the basics, and there's no requirement for prior knowledge from class 11th and 12th. However, students are expected to put in a lot of hard work to cover the entire syllabus in one year.

DESCRIPTION

- The course duration is approximately 9 months including tests and can be divided into three legs:
- First Leg : Syllabus Completion**
- The chapters to be taught are planned sequentially to ensure that students are well-equipped to handle all the topics.
- Rigorous practice is conducted through sheets and DPPs (Daily Practice Problems).
- Regular tests are held to continually assess students' preparation and understanding of concepts taught in the classroom.
- Throughout this period, faculty members are available for individual doubt removal and other academic support according to students' needs.
- Finish the JEE Main-relevant syllabus by the end of December and complete the syllabus up to JEE Advanced by January.
- After that, students would be free to attend revision classes based on their individual requirements.
- Second Leg : Revision and Test Series focused on JEE Main**
- After this, we conduct revision classes, revision test series, major test series, and problem-solving sessions for students until the final examination.
- Practice revision DPPs for JEE Main are given to students to help them revise and prepare for the final exam.
- Regular part tests and full syllabus tests are conducted leading up to the JEE Main examination.
- Last Leg : Revision and Test Series focused on JEE Advanced**
- Revision DPPs for JEE advanced are provided to the students to revise and prepare for the final exam.
- Several tests are conducted on a regular basis leading up to JEE Advanced.

KEY BENEFITS

- Two JEE Main Cups and one JEE Advanced Cup Test Series: A special test series for JEE aspirants for comprehensive revision after completing the syllabus.
- Rank Booster Question Bank for JEE Main: A vast collection of questions for JEE (Main) preparation based on previous online JEE Main exams.
- Master Stroke Question Bank: A pool of unique questions for JEE Advanced preparation.
- Access to JEE Archive: A compilation of previous years' questions for JEE (Main).
- Pre-RMO Question Bank: A collection of exclusive questions for HBCSE Olympiads aspirants.
